Did you hear about this? Kind of unusual. 6-7 separate fights?

Good morning everyone, last night's shift went by great. We had a few service calls mostly minor disturbances. Everyone was cooperative and relocated. We had an incident during grave where about 6-7 fights broke out withing seconds of each other. We were there to diffuse the sitiuation without anyone getting seriously hurt. Lapd arrived full force to help disperse the crowd that gathered. Crocker club security was also present to help diffuse the fights. No major casualties, no further activity to report.

Respectfully,
Rafael Vera
